Forecast For Scotland
Issued by Met Office Aberdeen
at 0400 on Tuesday 24 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Clear or warm sunny spells, northern and western coasts cloudier.

Today:
Mainly dry with some warm or very warm sunshine developing by afternoon. Some mist and low cloud persisting around coasts, particularly across northern and western coastal areas.

Tonight:
Cloud, mist and fog patches around north and western coasts and spreading east around the Moray, Aberdeenshire and Fife coasts too. Otherwise clear and dry for most.

Wednesday:
A very warm day, especially for the Central Belt, with plenty of sunshine. Low cloud may be persistent around some coastal areas. Shetland seeing some clearer weather later.

Outlook for Thursday to Saturday:
Fresher, clearer conditions will slowly spread west on Thursday. More dry and bright conditions for Friday and Saturday, but it will feel cooler.
